

Thomas Reichart

Systemic consultant/facilitator

"Transformation energy" for (global) teams, leaders & initiatives

Rapid transformation processes affect all industries. As pressure continues to increase, so do the demands placed on the effectiveness of teams, managers and strategic initiatives:

- > Enabling digital productivity
- > Agile execution
- > Ensuring leadership at operational level
- > Scaling leadership
- > Inspiring teams

Facilitation & consultation as an accelerator

As a systemic consultant and facilitator, Thomas Reichart helps your organization to perform to its best. His goal is to sustainably increase the effectiveness and productivity of your leaders and teams.

Thomas Reichart transforms companies from the inside out

He is at home around the world. He has used profound transformation and change processes to put numerous organizations in over 25 countries and on 4 continents on the road to greater effectiveness.

Leaders at all levels (up to C-level) and their teams appreciate his winning, inspiring manner. Be it conceptually, in F2F events, workshops or consultations, worldwide, offline or online, he skillfully oversees effective evaluations, conversations and interactions and the necessary implementation process. In doing so, he gives his clients the energy and motivation they need for transformation and change.

Thomas Reichart has a direct impact on the social system within a company, helps teams to work more effectively and boosts productivity.
